I. Policy:

The department of Children and Families requires SJA to have a plan in place to evacuate children in the event there is a tornado or tornado warning. DCF 251.06(3). Our goal is to ensure the safety of all children and staff.

II. Procedures:

- A. Tornado drills will be practiced monthly, especially during tornado season (April thru October). Drills will be documented by facility staff on the Fire Safety and Emergency Documentation Form, located in the glass cabinet near bathroom in old building lobby. 251.06(3)(c)
- B. In the event of a **tornado warning, sighting or drill**: The front desk will sound an alarm thru the phone system.
In the event of a **tornado watch**: The front desk will make an announcement.

Infants

- Infant staff should place infants on their back in the room cribs and proceed to the old building lobby.
- 1st floor non-teaching staff will meet you in the old building lobby to help take infants to the 1st floor bathrooms of the new building.
- ONLY infant staff should move cribs. Before proceeding to the bathroom complete a head count.
- M1 goes to the unisex bathroom
- M2, M3 and M11 go to the boy's bathroom.
- M2, M4, M8 and M9 go to the girl's bathroom.
- Once all children are in the bathroom close the door and turn off the light.
- Children and staff should remain in these positions until management staff gives the all clear.

Toddler and EHS

- Children should line up at the door. One staff member should be at the front of the line and the other staff member should be at the end. In the event you are alone you need to be at the front of the line. Be sure to take your emergency bag, emergency binder, cell phone and daily attendance sheet with you.
- Prior to leaving the room, **do a head count**. Be sure to turn off lights and close the door.
- Using your primary exit plan escort the children to the lower level of the building. The primary exit plan can be found posted on the wall near the door.
- 1st floor non-teaching staff will meet you at the top of the stairs and assist getting children safely to the bottom of the stairs.
- Proceed to the designated area and have children sit down in their classroom group.
- Complete a head count.
- Children and staff should remain in these positions until management staff gives the all clear.

1st and 2nd Floor
